Personal, powerful and totally connected

Horizon Smart Fitness Technology makes it virtually effortless to connect to the content that keeps you moving. With the flexibility of our powerful technology suite, you only have to decide how you want to personalize your exercise experience to make it a reality.

Quickly connect all your devices at the same time to stream your media.

Download the free app to control your workout with your device touchscreen.

Keep your devices fully powered with a rapid-charge USB port.

Push all your workout data to your favorite fitness apps.

FeatherLight Folding

Get the sturdiness of a traditional treadmill with the convenience of a folding frame thanks to our effortless hydraulic folding system that facilitates easy storage between workouts.

Variable Response Cushioning

Just like a running shoe, a treadmill with our unique three-zone cushioning system gives you the ideal amount of flex and support in all phases of your stride.
